

## **CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE**

Public Law 103-227, Part C Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act) or any updates, requires that smoking not be permitted in any portion of any indoor routinely owned or regularly used for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments. Federal program include grants, cooperative agreements, loans and loan guarantees, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions or facilities and used for inpatient drug and alcohol treatment.

Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1000 per day. By signing and submitting this assurance the funded program certifies that it will comply with the requirements of the Act. The funded program further agrees that it will require the language of this certification be included in any sub-awards which contain provisions for the children's services and that all funded programs shall certify accordingly.
